MAGISTRATE Stroud

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Pursuant to section 2151.419 of the Revised Code, the Court hereby makes the following Findings of Fact regarding the reasonable efforts made by Franklin County Children Services to prevent the continued removal of the child(ren) or to return the child(ren) to the child's (children's) home:

The Court hereby determines that Franklin County Children Services made reasonable efforts to prevent the continued removal of the child(ren) from home by offering or attempting to implement the following services into the home:

FCCS has referred Mother and Mr. Ramos for psychological and domestic violence assessments.

On or about, October 20, 2014, Franklin County Children Services filed a complaint with the Court alleging that the child(ren) is an/are abused, neglected or dependent minor child(ren) and that the services that were attempted failed to prevent the removal of the child(ren) from the home. The facts surrounding the failure to prevent the removal of the child(ren) from the home are as follows:

On or about, October 19, 2014, Mother gave birth to Lamayah. There are concerns regarding domestic violence between Mother and Mr. Ramos, as well as, Mother's mental capacity.

Therefore, the Court finds that Franklin County Children Services made reasonable efforts to prevent the continued removal of the child(ren) from the home and that those efforts failed to prevent the continued removal of the child(ren) from the home and continuation in the home is contrary to the welfare of the child. The Court further authorizes Franklin County Children Services to place the child(ren) in either a relative or non-relative home in accordance with the requirements as set forth within the Ohio Administrative Code. These findings of fact and conclusions of law are hereby incorporated into the Magistrate's Decision.
